

# Accessible Countries and Languages

03/19/2025 2:23 pm PDT

## Available Geographies

Heylo is available on the web in all compliant geographies. The Android and Apple mobile app is available in 100+ major countries.

## Language Support

The language for Heylo will be selected in accordance with the local device language. To cater to our diverse user base, Heylo is available in multiple languages with more coming soon:

- **English (US)**
  - **Spanish**
  - **French**
  - **Japanese**
-
